

ProSchools' Enhanced Insurance Programs Include Everything to Succeed!

Achieve Your Goals Today!

ProSchools' approved **ONLINE** and **LIVE** Insurance Training makes getting an **Insurance license** easier than ever!

Choose from ProSchools monthly LIVE classes or start anytime with **ONLINE** classes!

Education Requirements

To qualify for a Life/Health license, Producer candidates must complete 40 hours of instruction – 20 hours of Life Insurance and 20 hours of Health Insurance. To qualify for a Property/Casualty license, candidates must complete 40 hours of instruction.

ProSchools offers two methods of meeting the educational requirement – our convenient online training program or our popular live lecture classes.

Online Training Program

Start studying now! Access online courses immediately and start your training. Textbooks are available to supplement study away from your computer.

Online Training allows access to hundreds of practice exams, including explanations for each answer.
